Annual Report is an acid test for any institution about its academic, co-curricular, sports and other achievements of the school.

The Annual Report of Shiksha International Academy articulates and demonstrates the dynamic nature of our school and our commitment to excellence. The school collectively has an enthusiastic and dedicated team of teachers in the Secondary, the Primary, and the Pre-Primary sections. In addition, we have Non-Teaching and Support staff. Their coordination with each other is what enables the school to function smoothly and grow with new perspectives.

Innovation is the change that unlocks new value which leads to success. The School continues to strive towards innovation and for that the latest practices in the field of education are being continuously incorporated.

Academic:-

Due to pandemic situation we had hybrid (online and offline) classes held for this academic year.

The school has three tier online teaching. 1. Online classes as per the direction of State Government that is per day three periods of 40 Minutes. 2. Uploading Videos through YouTube for the kids who could not attend the classes 3. Sending notes through whats app.

Online classes- Were conducted using lead app.

Offline classes- The classes were held as per government norms with complete sanitisation of the entire campus and the students being guided about social distancing regularly.

Class tests as check points, worksheets for concept reinforcement, weekend homework apart from the regular schedule of homework, tiny projects, holiday assignments, have become a part of our academic planning and implementation schedules.

With all this grooming happening on one side, we all very well cautious to follow the academic calendar, complete portions on time, give sufficient revisions of the concepts taught and conduct assessments..
